

Croeso!

Whether visiting Solva for the first time or as a regular visitor to our beautiful village we wanted to take the time to say Welcome! So much so we wanted to say it in as many languages as we could think of!

Following the recent Covid-19 pandemic lockdown, life in our little village has been much slower than we're used to and we wanted to reach out to our visitors to give you our trademark Welsh welcome and of course thank you for visiting! Some helpful information can be found on the reverse of this flyer, we hope you enjoy your visit to our beautiful village.

As we all move back into life we hope that you are able to enjoy all our village has to offer and that you have access to the same information as our residents. Please note some businesses may be operating in a different way to before and government guidelines will apply to their business a handy phonebook of local shops, pubs and galleries is on the reverse to help you plan your visit.

For tide times and additional information please check notice boards at Bay View Stores, Solva Memorial Hall and Lower Solva Car Park.

Please support our village by taking your rubbish with you.
